

# YM Ministries

Choosing a ministry is a wonderful opportunity for you to share your interest and talents with your church community. Blessed Sacrament Parish is a community that worships and shares many aspects of life together. We attempt to help each other in times of need in the parish, the local community and beyond our city, diocese and state. We invite you to think about which ministry you would enjoy and which ministry would enable you to grow.

We WELCOME YOU to this 'gift of ministry' and encourage you to participate.
