Finding Funds from Other Places:

- A big thanks is in order to a former family – who would like to remain anonymous – who donated **\$6,000.00** for new teacher computers!
- Wish us luck as we will be meeting on May 9th with a granting group (the **Midland County Youth Action Council**) to try to encourage them to grant us funds for new **K-5 hands-on science kits** from Cereal City Science. We will have a team consisting of 5th graders, a teacher, and myself.

Sophia and Gibby say, “We love science!”

It's Short's Season! May 1st marks the date that uniform shorts will be allowed at school! Please have students wear **appropriate unicolor socks** with their shorts! Much obliged!
