Curriculum Corner

1st Grade Career Day! Our 1st graders in Mrs. Max's room had a, "what I want to be when I grow up" day on Friday. The students presented aspects of their career as it related to community participation, economics, and other aspects of the curriculum. We had police officers, construction workers, golf pros, chefs, baseball players and teachers among the group!

Grady, Greggy, James, Braylon, and Oliver in their "what I want to be" costumes!

- Wish us luck as we will be meeting on May 9th with a granting group (the **Midland County Youth Action Council**) to try to encourage them to grant us funds for new **K-5 hands-on science kits** from Cereal City Science. We will have a team consisting of 5th graders, a teacher, and myself.
