Become a Coach, Change Her Life!

Blessed Sacrament Girls on the Run girls grades 3-5 needs a coach. Inspire and empower girls by volunteering as a coach. Our girls need you! You do not need to be a runner, you simply need to have a desire to support and encourage girls. Contact the school office if interested.

Battle of the Books is also right down the road! 4th and 5th students please consider signing up for this great activity!

Battle of the Books is a FUN program designed to encourage and reward fourth and fifth grade readers. During Battle season, students discuss the books with their teammates, team manager and other adults, so that reading becomes a shared activity. It kicks off December 15th at 1:00 at the public library. After the release, students interested in participating in Battle of the Books must form teams of four to six readers, have an adult team manager, and choose a name for their team. Registration is limited to the first 56 teams. The battles begin in early February and conclude with the championship battle in March. Hope your kiddo will sign up for this great experience!
