VERY IMPORTANT INFORMATION about the new tuition model:

Parents-please read these points:

- **If you have questions and / or would like to hear a complete explanation from Father Rob, Patrick Regier, and me please attend the PSA meeting on Tuesday, January 14 at 7:00PM in conference room C. Those parents who have attended previous meetings have seemingly left meetings feeling much more informed about the justification and details of the initiative.**
- **We encourage any families to PLEASE apply for financial aid / scholarships starting with the FACTs system that will be available in a few weeks. The parish business office will provide information about how to use the system and ways you can get assistance.**
- **We will not turn away a student / family who has financial need.**
- **There is an alumni / scholarship fund already established to help families that have legitimate need. If you know of any alumni (or others) who might want to contribute to this extremely important fund, please encourage that.**

Curriculum Corner:

Our stupendous second graders read a story titled "An International Food Fair." So, they prepared and tried different foods from different countries throughout the week. An example is...Egg rolls for China. The students created a flag for every country they discussed. They tasted foods from China, Germany, Italy, Poland, and Mexico. It was a festive experience!!

Greg, Sam, Emma, and Brock enjoyed making flags of Germany

A letter from Ari Jehl regarding our book collection for her school in Honduras.

"Thank you and all of Blessed Sacrament SO MUCH for all the books you collected! I am so excited to bring them back with me after Christmas and surprise all my students with a new library. Thank you again and I hope you have a Merry Christmas!

♥☺,
Ari

Joke of the Week! (submitted by Marina)
Why does Saturn have rings around it? Because God liked is so much he gave it a ring!

Have a Blessed Week!
