VERY IMPORTANT INFORMATION about the new tuition model:

- We encourage all families to **PLEASE apply for financial aid / scholarships starting with the FACTs system.** The link was emailed out and is also found below (also on school website under Admissions). Those that have filled it out have found it to be user-friendly and comprehensive.
- We will **not turn away** a student / family who has financial need.
- There is a Blessed Sacrament Alumni **Fund already established** to help families that have legitimate need. If you **know of any alumni** (or others) who might want to contribute to this extremely important fund, please encourage that.

Support The Rock! Catholic School's Week Service Project: Blessed Sacrament School and our Cub Scouts are working together for this year's Catholic School's Week service project. We are supporting The Rock. It's a completely free after school program that helps to keep teens in a safe environment after school. It provides snacks, HW help, and game time. **We will be collecting board games, basketballs, footballs, jump ropes or money donation for The Rock** (offered at both middle schools and Midland Community Center). Please bring in a donation so the folks at The Rock can help take care of our local youth!

Joke of the Week! (submitted by Cora) When do you go on red and stop on green? When you're eating a watermelon! ☺ ☺ ☺

Have a Blessed Week!

Our 4th and 5th grade girls say, "Support The Rock!"
