A Letter from Mr. B.

COME SHINE WITH US!

Hope to See Everyone at the Shine Night Fundraiser this Friday beginning at 6:30 at the Midland Country Club! We have at least 130 folks coming and it should be an absolute blast. We'll have great food, great drinks, great dancing, and great auction items that you will certainly want to bid on! Come shine with us this Friday!!

(See photos of some auction items on page 2)

Parents--Gift Cards wanted! Parents we are asking that each family donate one gift card for our fundraiser. This can be to any store and any amount. Thanks much!

Noah, Dominic, Myleigh, and Maci say, "See you at the Fundraiser!!"

Need Help with the New Registration System?

We are here to help!

- Contact the office and Mrs. Clark can give you guidance

Dear Amazing Blessed Sacrament Families,
As we continue to adjust to our new tuition model I would like you to know the following:

- Our school is absolutely not closing. Our intention is to be here for a long, long, time!
- We look forward to your registration (and FACTs tuition assistance application that we encourage everyone to consider. You never know if you might qualify for assistance!) The **link was emailed out and is also on the school website under Admissions.** Those that have filled it out have found it to be user-friendly and comprehensive in terms of taking many financial aspects into consideration! We will **not turn away** a student / family who has financial need.
- There is a **Blessed Sacrament Scholarship Fund** already established to help families that have legitimate need. If you **know of any alumni** (or others) who might want to contribute to this extremely important fund, please encourage that.
- I am always available before and after school, or by appointment during my prep hours and at later times in the evening. Please don't hesitate to come in to talk to me in person about any of this.

- I've had many meetings and those that have talked to me went away feeling more informed about things.
- Let me know if there is anything else I can do to help!

Congrats to Marina and Isabella for winning a Battle of the Books mini-tournament today. Here they are with their trophies. BRAVO, ladies!

MARK YOUR CALENDARS!
