# YOUTH TO YOUTH TEAM

Orientation

Monday, September 8, 2025 @ 6pm Parish Center

The Youth 2 Youth team works September-April to plan the two-day retreat. High school students develop the theme, prayer opportunities, games, witness talks, Mass, and reconciliation service.

Students grow in their own faith while also learning to create an environment for others to develop and grow in their relationship with Jesus. We are looking for team members. Please join us if you participated in a Y2Y retreat in the past. Parents, please consider volunteering with your teen for Y2Y. It is an experience that encourages faith to grow for everyone involved!

## OUTREACH TEAM

Orientation

Sunday, September 7, 2025 @ 12pm

Parish Center

The Youth Outreach Team is an opportunity for those in high school to put their faith in action by reaching out to others in service. This group meets about twice a month beginning in September through the beginning of June in preparation for the summer mission work. The meetings include Catholic Social Teaching, prayer, and team-building activities as well as opportunities to serve within our parish and in our community.
